Anjaneri, Nashik

**And**

**CONCEPT ENGINEERING COMPAY, PAUD ROAD PUNE - 411038**

## **Memorandum of Understanding for Academic and Industry Institute Interaction Between**

**Nashik Gramin Shikshan Prasarak Mandal's**

**Brahma Valley Institute Of Management,**

**Anjaneri, Nashik**

**And**

**CONCEPT ENGINEERING COMPAY, PAUD ROAD PUNE – 411038**

This Memorandum of Understanding (MOU) is entered into on this Thursday of 31/001/2019, by and between “**Nashik Gramin Shikshan Prasarak Mandal's Brahma Valley Institute Of Management, , Anjaneri, Nashik** (hereinafter referred as **BVIM**, ) and **Concept Engineering Compay, Paud Road Pune - 411038**, (hereinafter referred **CEC**)

**BVIM**, and **CEC** agree that cooperation in Industry Institute Interaction, Certification Training, Internship, Final Placement and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activity such as:

- 1) Internship and Final placements
- 2) Certification Training
- 3) Webinar, Guest lecturer and workshops
- 4) FDP (Faculty Development Programme)
- 5) Industrial Visits
- 6) Consultancy work on industry projects
- 7) Center of Excellence

WHEREAS **BVIM**, is a leading educational institution in the field of Technical Education. AND WHEREAS **CEC** Concept Group was established in 1987 at Pune, Maharashtra. We are in this field from last 30 years. We are one of the leading & prominent Electrical Contractors of Maharashtra, Gujarat and Madhya Pradesh.

Concept Group is backed by robust infrastructural setup that allows executing services in a very efficient manner ensuring cent per cent customer satisfaction with **BVIM**, for conducting Seminar, Workshop, Guest Lectures, Webinars and providing certification training, internship and placement opportunities to **BVIM**, students which shall be subject to the availability of vacancies.

AND WHEREAS **BVIM**, has agreed for such collaboration.

AND NOW THEREFORE, **CEC** and **BVIM**,

In consideration of the mutual representations, warranties and covenants contained herein, and subject to the terms and conditions set forth in this MOU, and intending to be legally bound, hereby agree as follows:

### 1. DURATION

This MOU shall be valid for a term of Five (5) year from the effective date and shall be renewed for such further period as may be decided mutually by both the parties.

### 2. OBJECTIVES:

**BVIM**, AND **CEC** will supplement and complement each other in the areas of mutual benefits for the expertise of students and corresponding need of **CEC**

- 1) To provide Internship opportunities and Final placements for students
- 2) To Provide certification Training
- 3) To design & implement Industry specific course
- 4) Conduct Webinar, Guest lecturer and workshop as per availability
- 5) Conduct FDP
- 6) Helps with Industrial Visits (if possible)

### 3. COMMERCIALS:

The Commercials will be discussed and finalized separately and would be documented through raising necessary PO and Invoice on the other party

### Deliverables from CEC:

CEC is an Indian based leading industrial automation solution with maximum result & minimum efforts in every industrial domain to achieve best quality products with enhanced production. **CEC** is pleased to offer **internship program** with your esteemed College **BVIM**, & provide a career building opportunity.

**CEC** will prepare students to be a well-developed R&D set up primarily focused on innovation studies to develop new, efficient & safer processes, value added products, technology development, industrial automation provider, with activities are Fire Alarm System, Access Control System ,Public Address System and CCTV System and Annual Maintenance Contract. Our Focus is on Project Electrification Work of Automotive related Industries, Pharmaceutical, Chemical and Software Commercial Companies. Project Electrification Work of Engineering, Pharmaceutical, Automobile, Chemical and Software Companies.

**CEC** may use the name of the institute on their website for institute Campaigns and photographs of the institute Campaign may be uploaded on the website.

**SEN will provide Internship and Certification Training in following domains:**

- R&D Technologies
- Innovative studies
- Technology developments

Apart from this,

- **CEC** will provide sponsored FDP/workshop in every semester.
- Encourage & support faculties, students for R&D activities and IPR.
- Placement Opportunities will be given to deserving candidates. Also, students who enroll for Training & Internship Program will get placement assistance and consultations.
- Consultancy work will be done by both the parties & the consultancy amount will be paid to the concerned faculty or institute for their valuable contribution in company projects.

All above mentioned things will be implemented under **Center of Excellence**

## **5. Deliverables from BVIM, :**

**BVIM**, has to ensure availability of following infrastructure requirements.

- A properly closed computer lab in college with basic computer facilities, with a capacity of at least 30 seats where students can attend the deliverables/sessions with permission from college authorities.

- The venue must be available to use for time slot communicated and agreed by both parties
- The college students will be informed in advance about the e-mail and publicity posters.
- The institute has to ensure availability of following organizational requirements in their college.
  - i) One Faculty In charge
  - ii) 4 student volunteers from each class/ branch of Engineering
  - iii) Wi-Fi facility during the sessions
  - iv) Computers/PC's with pre-installed tools and software as requested by CEC

## **6. CONFIDENTIALITY:**

### 2. OBJECTIVES:

**BVIM**, AND **GEC** will supplement and complement each other in the areas of mutual benefits for the expertise of students and corresponding need of **GEC**

- 1) To provide Internship opportunities and Final placements for students
- 2) To Provide certification Training
- 3) To design & implement Industry specific course
- 4) Conduct Webinar, Guest lecturer and workshop as per availability
- 5) Conduct FDP
- 6) Helps with Industrial Visits (if possible)

### 3. COMMERCIALS:

The Commercials will be discussed and finalized separately and would be documented through raising necessary PO and Invoice on the other party

### Deliverables from GEC:

GEC is an Indian based leading industrial automation solution with maximum result & minimum efforts in every industrial domain to achieve best quality products with enhanced production. **GEC** is pleased to offer **internship program** with your esteemed College **BVIM**, & provide a career building opportunity.

**GEC** will prepare students to be a well-developed R&D set up primarily focused on innovation studies to develop new, efficient & safer processes, value added products, technology development, industrial automation

provider, with activities are Fire Alarm System, Access Control System, Public Address System and CCTV System and Annual Maintenance Contract. Our Focus is on Project Electrification Work of Automotive related Industries, Pharmaceutical, Chemical and Software Commercial Companies. Project Electrification Work of Engineering, Pharmaceutical, Automobile, Chemical and Software Companies.

**GEC** may use the name of the institute on their website for institute Campaigns and photographs of the institute Campaign may be uploaded on the website.

**GEC will provide Internship and Certification Training in following domains:**

- R&D Technologies
- Innovative studies
- Technology developments

Apart from this,

- **GEC** will provide sponsored FDP/workshop in every semester.
- Encourage & support faculties, students for R&D activities and IPR.
- Placement Opportunities will be given to deserving candidates. Also, students who enroll for Training & Internship Program will get placement assistance and consultations.
- Consultancy work will be done by both the parties & the consultancy amount will be paid to the concerned faculty or institute for their valuable contribution in company projects.

All above mentioned things will be implemented under **Center of Excellence**

## **5. Deliverables from BVIM, :**

**BVIM**, has to ensure availability of following infrastructure requirements.

- A properly closed computer lab in college with basic computer facilities, with a capacity of at least 30 seats where students can attend the deliverables/sessions with permission from college authorities.
- The venue must be available to use for time slot communicated and agreed by both parties
- The college students will be informed in advance about the e-mail and publicity posters.

- The institute has to ensure availability of following organizational requirements in their college.
  - i) One Faculty In charge
  - ii) 4 student volunteers from each class/ branch of Engineering
  - iii) Wi-Fi facility during the sessions
  - iv) Computers/PC's with pre-installed tools and software as requested by **GEC**

## **6. CONFIDENTIALITY:**

Both the parties may receive information proprietary to other party (the “Confidential Information”) in the course of performance of their obligations under this MOU. Confidential Information is not meant to include any information which (a) is publicly available (b) is rightfully received by the parties from third parties without accompanying secrecy obligations; (c) is already in either party’s possession and was lawfully received from sources other than the parties or (d) is independently developed by the parties. The two bodies understand and acknowledge that the Confidential Information is valuable and confidential and agrees that it will at all times be kept in trust, to be disclosed only to such persons on a “need to know basis” the same for the effective implementation of this MOU and that it will only be used by the parties for the benefit of others.

Both the parties understand and agree that all written or other tangible data and documentation developed or procured by the other party in performing its obligations under this MOU, whether in printed or electronic form, belongs to other party and that other party will have all rights, title and interest therein.

Both parties shall not use the name and brand of the other party in any advertisement or make any public announcement without the prior written approval of the other.

## **7. CO-ORDINATION:**

**And**

**Rashtriya Chemicals And Fertilizers Ltd, Chembure**

This Memorandum of Understanding (MOU) is entered into on this Thursday of 20/03/2018, by and Between “**Nashik Gramin Shikshan Prasarak Mandal's Brahma Valley Institute of Management, Anjaneri, Nashik** (here in after referred as **BVIM**) and, **Rashtriya Chemicals And Fertilizers Ltd, Chembure** (Here in after referred as (**RCF**))

**BVIM** and **RCF** agree that cooperation in Industry Institute Interaction, Certification Training, Internship, Final Placement and student and faculty exchanges would be mutually beneficial. The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activity such as:

- 1) Internship and Final placements
- 2) Certification Training
- 3) Webinar, Guest lecturer and workshops
- 4) FDP (Faculty Development Programme)
- 5) Industrial Visits
- 6) Consultancy work on industry projects
- 7) Center of Excellence

WHEREAS BVIM is a leading educational institution in the field of Management Education. AND WHEREAS **RCF** Rashtriya Chemicals and Fertilizers Limited (RCFL) is a leading fertilizers and chemicals manufacturing company with about 75% of its equity held by the Government of India. Company has been accorded the coveted “Miniratna” status in 1997. **RCF** manufactures Urea, Complex Fertilizers, Bio-fertilizers, Micro-nutrients, 100 per cent water soluble fertilizers, soil conditioners and a wide range of Industrial Chemicals. The

“Ujjwala (Urea) and “Suphala”( Complex fertilizer) brands of fertilizers manufactured by RCF carry high brand equity and are recognized brands all over the country. These products are taken to the farthest corner of the country by extensive RCF dealers network spread throughout the country.

Besides fertilizer products, RCF also produces a large number of industrial chemicals that are important for the manufacture of dyes, solvents, leather, pharmaceuticals and a host of other industrial products.

Both the manufacturing units of RCF are accredited with ISO 9001 (Quality Management System), ISO 14001 (Environmental Management System), ISO 45001 (Occupational Health and Safety), ISO 50001: 2011 (Energy Management System) and ISO 27001 (Information Security Management).

RCF has been performing well for the last several years and in one of the few PSU’s which have been posting profits consistently. desirous to collaborate with **BVIM** for conducting Seminar, Workshop, Guest Lectures, Webinars and providing certification training, internship and placement opportunities to **BVIM** students which shall be subject to the availability of vacancies.

AND WHEREAS **BVIM** has agreed for such collaboration.

AND NOW THEREFORE, **RCF** and **BVIM**,

In consideration of the mutual representations, warranties and covenants contained herein, and subject to the terms and conditions set forth in this MOU, and intending to be legally bound, hereby agree as follows:

### 1. DURATION

This MOU shall be valid for a term of Five (5) year from the effective date and shall be renewed for such further period as may be decided mutually by both the parties.

### 2. OBJECTIVES:

**BVIM** AND **RCF** will supplement and complement each other in the areas of mutual benefits for the expertise of students and corresponding need of **RCF**.

- 1) To provide Internship opportunities and Final placements for students
- 2) To Provide certification Training
- 3) To design & implement Industry specific course
- 4) Conduct Webinar, Guest lecturer and workshop as per availability
- 5) Conduct FDP
- 6) Helps with Industrial Visits (if possible)

### 3. COMMERCIALS:

The Commercials will be discussed and finalized separately and would be documented through raising necessary PO and Invoice on the other party

### **Deliverables from RCF:**

**RCF** has two operating units, one at Trombay in Mumbai and the other at Thal, Raigad district, about 100 KM from Mumbai.

**RCF** is pleased to offer **internship program** with your esteemed College **BVIM** & provide a career building opportunity.

**RCF** will prepare students to be a well-developed R&D set up primarily focused on innovation studies to develop new, efficient & safer processes, value added services, technology development, industrial service provider, with expertise in industrial services.

**RCF** may use the name of the institute on their website for institute Campaigns and photographs of the institute Campaign may be uploaded on the website.

### **RCF will provide Internship and Certification Training in following domains:**

- R&D Technologies
- Innovative studies
- Technology developments

Apart from this,

- **RCF** will provide sponsored FDP/workshop in every semester.
- Encourage & support faculties, students for R&D activities and IPR.
- Placement Opportunities will be given to deserving candidates. Also, students who enroll for Training & Internship Program will get placement assistance and consultations.
- Consultancy work will be done by both the parties & the consultancy amount will be paid to the concerned faculty or institute for their valuable contribution in company projects.

All above mentioned things will be implemented under **Center of Excellence**

### **5. Deliverables from BVIM :**

**BVIM** has to ensure availability of following infrastructure requirements.

- A properly closed computer lab in college with basic computer facilities, with a capacity of at least 30 seats where students can attend the deliverables/sessions with permission from college authorities.
