The unique way to sensitize students through attaining corporate acumen

Corporate connect is one of the strongest focus area of BVIOM philosophy. Senior corporate executives play a vital role in our institute's value delivery by way of guest sessions, workshops and valuable contribution to teaching-learning process. In an academic year, we organize 3-4 corporate conclaves, inviting top corporate executives for these events. Students get an opportunity to understand industry dynamics and business strategy. It's always an enriching experience for students to hear from the news makers of the corporate world.
